Xtreme™ is built for tough rider demands. Equally at home in deep powder or hard pack conditions, it's built for extra long wear and dependability for the trail rider, or white knuckle high performance for the rough rider. Power clutching? No problem. Run a thousand mile week, or *high mark* to the top of the mountain.

THE DRIVE BELT OF CHOICE FOR HIGH PERFORMANCE

Each belt is crafted from only the best rubber compounds and tough Aramax cord. Carlisle belts enhance the efficiency of the variable speed drive system. UltimaxATV eliminates excessive friction and tension preventing drive damage. Exact belt length tolerance minimizes system wear and avoids slippage.
